

# THREE CROSSES VILLAGE SURVEY – FEBRUARY 2019

The Council is made up of seven councillors from Three Crosses who are all volunteers. We aim to maintain the things in Three Crosses that you all like and improve the things you don't. In working for you the Council has to act within the powers given to it by law.

We would very much like to have responses to this survey, so that we can know that we are doing what the residents of Three Crosses would wish us to.

Your answers will be treated as confidential and the Community Council will not identify any published results with a specific household.

Please complete this survey and return by April 1 2019.

Further copies of this survey can be obtained from any Community Councillor or at

<http://www.threecrosses.org.uk>

**One survey should be completed per household.**

## **About you and Your Family**

**General Questions:**

***Please give your responses to the questions in the box below each section:***

Community Centre

A number of groups and clubs use the Community Centre, as you can see from Crwys News. Are there other groups/clubs/activities you would like to see held there? Do you have any ideas for village events at the Community Centre? Are there any improvements in facilities you would like to see at the Community Centre?

--

Transport

The current bus service is into Swansea on 6 days per week, with the last bus to Swansea at 16.22 and the last bus from Swansea returning at 17.20. The Community Council has raised this issue with City and County Swansea in the past with little success – but would still like your views.

Do you use the bus service?	
How many times each week?	
Do you have any comments on the bus service? How do you travel on Sundays or evenings?	
Is this an issue you would like the Community Council to pursue further?	

Traffic

During the last five years a number of traffic calming measures have been introduced in the village. The final stages of the project will include some additional traffic calming on Tirmynydd Road, Joiners Road and Dunvant Road. Whilst the Council is not responsible for the road network itself, it does perform the role of raising issues locally and supporting measures to improve life in the village. What are your views on the traffic calming measures that are now in place? Have they reduced the speed of traffic in the village? Road safety– can you cross roads safely?

IT FROM YOUR HOME**

Parking – Do you have any problems with cars and vans parked on pavements? Can you tell us where and how the parking affects you?

Do you have any other traffic/footpath issues to raise? These might include poorly maintained pavements, footpaths which cannot be used because they are blocked or badly maintained. Where are the problems you know about? Please describe them. Don't forget potholes can be reported at <https://www.swansea.gov.uk/potholes> - or by visiting the Civic Centre or calling 636000.

**ABOUT THREE CROSSES COMMUNITY COUNCIL - HAVE YOUR SAY....**
