

## Did You Know....

- For 97 years Three Crosses WI has been an important part of village life.
- The WI is the largest organisation in England & Wales, providing opportunities to learn and enjoy almost anything with both regional and national offerings.
- The WI has an influential national voice on important issues - each year resolutions are proposed in September, reviewed/selected by WI members in the Spring and then voted on at the National Annual Meeting in June.
- Resolutions form the basis of WI Campaigns:
